ALBATROSS COLLEGIATE GOLF

Albatross, a parent-led body that runs a junior tour in the country, recently launched its 'Collegiate Golf Tour' with a two-day tournament at Golden Greens Golf and Country Resort. Open to boys and girls between 18 to 24 years of age, the tour promises to offer a platform to golfers, who are eligible to be enrolled in colleges or universities, to compete. ACT will be organizing regular events across India throughout the year, though this year the tour plans to hold at least three tournaments. With over 1,600 juniors as its members now, the body is looking to take the game to colleges in a big way. ♣
